## MAYPOLE BRUT 2017 HERSTMONCEUX, EAST SUSSEX V Ve S

"The Maypole happily captures the joys of an English spring and summer, expressed in this classic sparkling blend, with 5 years on lees giving ribbons of bubbles that dance in the glass in this frothily festive fizz. It is layered, gently mature yet still fresh. The wine has spent 5 years on lees before disgorgement. Lots of crisp apple and pear fruit characters on the palate with a fine, persistent mousse. There's a long finish which shows some biscuity development along with characteristic, balanced acidity."

## HENNERS BRUT ROSÉ NV HERSTMONCEUX, EAST SUSSEX V Ve S

"When it comes to English wine there's a lot to shout about, not least the stunning sparkling wines from Henners. Based just 4 miles from the sea in Herstmonceux, East Sussex, the 7 acre vineyard was created in 2007 by ex-Formula One engineer, Lawrence Warr. The winery was named in honour of Larry's French ancestor, Henners Dubois, who was forced to flee Paris for England during the French Revolution in the late 18th Century. This wine will have spent a minimum of 18 months on lees at time of release, and a minimum of 5 months in cellar post-disgorgement to create a deliberately vibrant and fresh sparkling Rosé. This sparkling rosé delivers classic English red berry fruit flavours including raspberries, redcurrants and rhubarb. A minimum of 18 month ageing on the lees brings a delicate creaminess to the wine."

## CHAMPAGNE BOLLINGER SPECIAL CUVÉE NV

The name of Bollinger's emblematic champagne, with its English spelling, encapsulates its entire history. It was the British agent of Georges Bollinger who, in 1911, christened it "Special Cuvée", as he found the expression "non-vintage brut" did not befit a champagne of such subtlety. Over a century later, the name of the champagne emblematic of Bollinger's expertise still encapsulates its entire history. A subtle combination of structure, length and vivacity; bubbles like velvet; pear, brioche and spicy aromas, notes of fresh walnut.

This has a particular micro-climate - as the proximity of the water has a moderating effect on the typically Mediterranean temperatures, allowing optimal ripening whilst retaining fresh acidity. This luscious and textural blend is very much a food wine; rich currant flavours provided by Grenache and tangy raspberry from Cinsault before a dry and fresh finish. "
